### Holiday homework 2017-18

#### Class- IV

When summer vacation started we got a big break from school we played all the time and tried to stay cool. Our hearts were filled with joy when we got such a big break to eat yummy ice creams, we could not wait. We were free to do anything we like Playing all the time or riding our bike. It was a wonderful vacation a big sensation for using imagination, a lovely creation.

Dear Parent

Its vacation time again! The uphill task of keeping your little ones fruitfully occupied must be the top most priority in your mind. Some interesting, innovative and creative project work has been planned for your children to enable them to widen their horizon. Kindly allow them to do the work under your guidance and supervision
