## FATHER AGNEL SCHOOL

### SUMMER HOLIDAY HOMEWORK, 2018-19

#### CLASS – III

“Once again, we’ve come to the holiday season, a deeply religious time that each of us observes, in his own way, by going to the mall of his choice.”

Dear Parents,

Summer vacations are meant for fun full of enjoyment with family and friends. It’s time for the children to play, enjoy, relax and re-energize. We have planned different activities for children to enrich the learning experience to make them aware of their surroundings and to enhance their overall development.

#### Suggestions for parents:

- ❖ Make your child **converse in English** at home regularly.
- ❖ Make your child to do his/her **work on his/her own** with your help and guidance.
- ❖ Make your ward to **inculcate the habit of sharing** and the **use of the four magic words** (Thank You, Sorry, Please, Excuse-Me).
- ❖ Make your ward to **practice writing** everyday so when he/she returns to school after holidays, his/her handwriting is the envy of his/her peer group.
- ❖ Engage your child in **managing small household work and playing outdoor** games amongst beauty of nature.
- ❖ Make your child study for a few hours every-day and prepare for the **Periodic Exams** scheduled in **July**.
