

French holiday homework

Class VI

On an A4 size sheet make a note of all the salutations or greetings both in English and French on one side and write the number names of all the numbers from 0-20 with digits in French on the other side.

Class VII

A4 size sheet

Draw the picture of a face with all the parts and features being labeled in French on one side and write the points of civilization and adding more information on France on the other side.

Class VIII

On one side make sentences with the words given where we are making use of a single verb and two verbs simultaneously. On the other side give a complete introduction of yourself stating more about your likes and dislikes as explained in class.
