

**FR. AGNEL SCHOOL
GREATER NOIDA
SESSION 2019-20
HOLIDAY HOMEWORK CLASS II**

Dear Parents,

It's summer vacation and the right occasion to enjoy doing fun filled and interesting things with your child. Holidays are the perfect time to develop hobbies, skills and do stimulating, exciting and thought provoking activities as a family. Here are some tips that could help your children to be compassionate with others and work for a generous and humanitarian cause.

- **Thought of the Day for Children:** Telling your child 'A good thought of the day' in the morning every day can ensure that the child does not start the day on the wrong foot, and it is also a proven motivating tool for him/ her. You can even put up a board in your child's room, and change it every morning to reflect the mood and the thought for your child to think about during the day.
- **Health is wealth:** Accompany your children to neighbourhood park and encourage them for a morning walk and simple yoga exercise.

“Learn something from everything.”

Dear children,

The summer break from school is often filled with different plans and activities but it is important to keep learning over these weeks. So, enjoy yourself and make these holidays fruitful and enjoyable by doing these interesting activities which will turn your vacation more creative and constructive.

1. **LET'S CREATE:** Setting up a routine is a must to inculcate good habits. You plan your daily routine for a week and present it in a creative way on given A4 size pastel sheet.
2. **BOOKS ARE FRIENDS:** Books are the quietest and the most constant friends. Reading improves your vocabulary which is a great tool in learning languages. Read stories in English as well as in Hindi identify new words and write down their meaning and usage in your Holiday Homework notebook.
3. **GO GREEN:** Plant a sapling, water it every day and keenly observe as it grows and write down about different stages of its growth.
4. **SHARPEN YOUR BRAIN:** Do simple calculations by adding the price of items on the bills as you shop during the vacation. Also paste these bills in your homework notebook.
5. **ORGANISED SPORTS:** "All work and no play make Jack a dull boy." Go out for cycling, swimming, tennis, badminton, dancing etc. being some choices. Avoid video games instead learn to play interesting games like Scrabble, Pictionary, Ludo, Chess etc.
6. **CONVERSE IN ENGLISH:** Communicating in English will play pivotal role in grooming your overall personality.

- Don't forget to revise your work done in book and notebook for Periodic Test I.
- Make a separate notebook to do your writing work of Holiday Homework.
